- Languages

The image shows a screenshot of the WorkIndia Candidate Database interface. On the left, there are two filter panels. The top panel is titled 'Preferred Industry' and includes a search bar and a list of industries: Education, Retail, Finance, and Health Care. The bottom panel is titled 'Degree And Specialization' and includes a search bar and a list of degrees: B.E., B.Arch., and CA. On the right, there are two candidate profiles. The top profile is for Sridhar M, a Graduate (M.Com) with a current salary of ₹28,000. He is a Sales Executive at a company in the Banking industry, speaking English, Tamil, and Telugu. He has English as a skill and a PAN Card and Aadhar Card as assets. He was last active 6 days ago and has resumed work. The bottom profile is for Nethravathi N, a Marathi speaker, who was last active 26 times in the last 7 days. The interface also features several blue callout boxes with white text: 'Industry experience' pointing to the industry filter, 'Location' pointing to the location filter, 'Activity Level' pointing to the last active status, and 'Gender' pointing to the gender filter.
